

DR. JOHNSON.
BALTIMORE LOCK HOSPITAL, has discovered the most certain, speedy and effective remedy for the cure of
DISEASE OF IMPUDENCE.
No matter in what stage.
No cure warranted, or no charge, in from one to two days.
Gleets, Strictures, Seminal Weakness, Pains in the Loins, Constitutional Debility, Impotency, Weakness of the Back and Limbs, Affections of the Kidneys, Prolapsus of the Rectum, Dyspepsia, Nervous Irritability, Diseases of the Head, Throat, Nose, or Skin, and all those serious and melancholy disorders arising from the destructive habits of youth which destroy both body and mind. These secret and solitary practices more fatal to their victims than the song of the Sirens to the mariners of Ulysses, blighting their most brilliant hopes or anticipations, rendering marriage, &c., impossible.
Young Men.
Especially, who have become the victims of solitary Vice, that dreadful and destructive habit, which annually sweeps to an untimely grave, thousands of young men, of the most brilliant talents and brilliant intellect, who might otherwise have entered listening Senates with the thunders of eloquence, or walked to the living lyre, may call with full confidence.

Marriage.
Married Persons, or young men contemplating marriage, being aware of physical weakness, organic debility, deformities, &c., should immediately consult Dr. J., and be restored to perfect health.
He who places himself under the care of Dr. Johnson, may religiously confide in his honor as a gentleman and confidently rely upon his skill as a physician.

Organic Weakness.
Immediately cured and full vigor restored.
This dreadful disease is the penalty most frequently paid by those who have become the victims of improper indulgences. Young persons are apt to indulge in excess, not being aware of the dreadful consequences that may ensue. Now, who that understands the subject will pretend to deny that the power of procreation is lost sooner by those falling into improper habits than by those who are debilitated by the pleasure of healthy offspring, the most serious and destructive symptoms to both body and mind arise. The system becomes deranged, the physical and mental powers weakened, the heart, indigestion, wasting of the frame, cough, symptoms of consumption, &c.
OFFICE, No. 7 South Frederick street,
Left hand side going from Baltimore street, 7 doors from the corner.
Be particular in observing the name and number, or you will mistake the place.
Take notice, observe name on the door and windows.
Member of the Royal College of Surgeons, London, graduate from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the hospitals of Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and head when asleep, great nervousness, being alarmed at sudden sounds, and headachings, and other symptoms of organic debility, with derangement of mind, were cured immediately.

A Certain Disease.
When the misguided and imprudent youth of pleasure find that they are the victims of this painful disease, it too often happens that an ill-timed sense of shame or dread of discovery deters him from applying to those who, from education and respectability, can alone befriend him, and prolong till the countenance is marked by the ravages of this disease, and the patient, when he is brought to the door of a physician, is a wretched creature, whose system is so deranged, that he is unable to receive any benefit from the treatment.
